

Vanguard Collection

The Master Banker has been created for businessmen and businesswomen who are constantly on the move. It concentrates on the essence of complications and offers three different time zones adjustable from the same crown. This apparently simple feat is actually very difficult to implement. This achievement relies on the fact that the movement composing the Master Banker has been designed from the ground up and thus required several years of development.

Reference	V 45 MB SC DT SQT NR BR (5N)
Case	Vanguard case Grade-2 titanium 18k rose gold in the side inserts and the crown's head Hand brushed Black PVD coating Water resistant up to 30 meters Width: 44 mm x Length: 53.7 mm x Thickness: 12.7 mm Sapphire crystal
Functions	Hours, Minutes, Seconds, Date, Double time zones
Instructions	Winding shaft with 3 positions: 1.Winding. 2.Time zones setting 3.Time setting
Movement	MVD FM 2800-MBSCDTSQT Self-winding movement with bidirectional rotor system Power reserve of 42 hours 222 components 22 jewels Width: 26.20 mm. Length: 29.9 mm. Thickness: 5.75 mm Balance wheel frequency set at 28,800 alternations per hour
Movement Decoration	Côtes de Genève and brushing "soleil papier" on the bridges and the rotor Circular graining on the two sides of the main plate Chamfering of the bridges 24k gold bath and rhodium plating of the components 24k gold finish on the written engravings Circular brushing of the rotor ball bearing Brushing "soleil papier" on the barrel Polishing at 45° and brushing "soleil" of the ratchet Polished and blued screws
Bracelet	Hand sewn alligator strap
